Students are able to access a variety of resources that will help them conduct research, complete assignments, create presentations and more, with content and curriculum-focused tools that include:

- Thousands of primary documents
- Hundreds of plays and poems
- Multimedia content, that includes video and audio clips, and thousands of flags, maps, seals and photographs
- Thousands of topic overviews, biographies, plot summaries and pieces of literary criticism
- Content level recommendations (Basic, Intermediate and Advanced) to help readers choose appropriate content for their abilities
- Research Tools and Research Guide that tie information literacy skills to use of the resource
- More than 1,700 study guide questions to promote understanding
